

PROPANE EMERGENCIES

Date: April 26th, 2011

Time: 8:30 AM – 4:00 PM

**Location: Shelbyville Fire Department
40 W. Broadway Street
Shelbyville, IN 46176**

The Indiana Propane Gas Association will host a “Propane Gas Emergencies and Transportation Emergencies Workshop.” This class will be presented by Safe Transportation Training Specialists (STTS) and will begin at 8:30 AM and conclude by 4:00 PM. The Class workshop is also sponsored by the Indiana Alliance of Hazardous Materials Responders (IAHMR).

***NO CHARGE FOR THIS CLASS!
NOTIFY YOUR LOCAL FIREFIGHTERS -
COPY THIS AND SEND IT TO THEM!***

There is no requirement for preregistration. In support of this workshop, the IAHMR will be providing morning refreshments and lunch.

Each Department attending will take home a copy of the new NPGA Propane Emergencies DVD/CD set.

STTS is a nationally recognized hazardous materials transportation training company. They have trained many private companies' safety departments as well as many state, city, county and municipal emergency response personnel. Just a few examples are: BASF, Exxon Chemical Americas, Shell Chemical, as well as Arkansas Office of Emer. Svs., Mississippi DEQ, St of MO. Dept. of Public Safety.
